Audience Participation

George Dembinski – 4599 Bradington – was concerned about the difference in bids to do the sewer at his and his daughter’s homes. They ranged from \$1500.00 to \$3800.00 at his home and his daughter’s was \$5240.00. He also thought that the lining instead of digging up the entire yard was going to be comparable. One of the contractors on the list stated that they were not interested in doing the home owners portion of the project. If the contractor did not want to do the home portion they should not be on the list. He hoped that the city wasn’t being over charged for the project.

Norm Burke – 619 S Adams – Requested a meeting with the City Administrator, City Clerk and a couple of council members to discuss items that have been published, minutes of council meetings, etc. There will be a meeting set up in the next week or so.
